

# Attention teens in grades 7-12!

Read three books between June 5 and August 31 and you could win a \$50 Borders gift card, a \$50 Best Buy gift card or one of two MP3 players!

It's easy! For each book you read use Facebook to post the book's title and author, a short book review, poem or drawing, and your name on the Library's Facebook page. If you post a review, poem or drawing on three different books throughout the summer you will be entered in the prize drawing. Not a Facebook user? Join today or fill out and turn in the entry form on the other side of this sheet. If you enter a drawing, please keep it 8 1/2" x 11" or smaller and attach it to the entry form.
