Mr. Jay Alderman
Pennington County State's Attorney's Office
300 Kansas City Street
Rapid City, SD 57709

Dear Jay,

As you and I have discussed, the Rapid City Public Library Board has determined that the County contribution for the year 2009 needs to be adjusted to reflect the decrease in patrons from the County. The reduction amounts to \$14,842.00.

I understand that the County Commission has approved accepting a refund in that amount. I have asked for further direction from the Library Director in regard to whether a refund or a reduction in the last two or three quarterly payments would be preferable to the Library. As soon as I have that direction, I will let you know. I anticipate that we will come to a mutually agreeable plan.

If you have any questions or concerns prior to me getting further direction from the Library, please contact me. I will be back in touch soon.

Sincerely,

Michael Schad
Assistant City Attorney
